

HYDROEUROPE TEAM 1

DAILY REPORT

DATE 03/03/2010
REPORT EDITOR Jelena
PRESENTS Patrice, Zoubir, Byein Seong je, Mhenga, Lukman, Felipe and Jean-Philippe

Meeting presents: All team members were present.
It is second week of face to face period of Hydroeurope 2010. in Nice.

All day was reserved for team work.

Today's activities:

- Zoubir, Patrice and Seongje finished flood protection measures.
- Jean-Philippe, Mhenga and Lukman finished hydrology report.
- Felipe continue work regarding MIKE SHE.
- Jelena merged all reports in one engineering report.
- Patrice started team video.
- Jean-Philippe and Zoubir did detail preparation of final presentation. According to that, they visited all teams and did small survey regarding subject for final presentation.
- In the afternoon all team members were discussing about final presentation in order to give good answer to the subject.

Question for final presentation:

What are challenges and rewards of intensive collaborative work on an engineering problem (your Hydroeurope) experience?
