

HYDROEUROPE TEAM 1

WEEKLY REPORT

DATE 10/02/2010
REPORT EDITOR Jelena
PRESENTS Zoubir, Patrice, Byeon Seong je, Mhenga, Belliard Jean-Philippe and Felipe

Meeting presents: Seven out of nine team members.

GIS sub-team:

Patrice and Byeon are in process of writing engineering report.

Hydrology sub-team:

Mhenga, Lukman and Jean-Philippe are in process of writing engineering report.

Hydraulic sub-team:

Jelena and Zoubir are in process of finishing model and writing engineering report.

Felipe is in process of creating a Mike SHE model.

During meeting main subject was first presentation and arrival in Nice predominantly accommodation issues.

We agreed that presentation should be done as soon as possible. Also every sub-team should deliver few slides in order to be on time for preparation of presentation.
