

## HYDROEUROPE TEAM 1

# WEEKLY REPORT

**DATE** 13/01/2010  
**REPORT EDITOR** Zoubir  
**PRESENTS** Patrice  
Zoubir  
Fikiri

### Team rules:

The proposal has been approved. We can put them online and wait for other members opinions.

### Visual Id:

The proposal of logo can be ok. It has to integer a water element. Let's see with Photoshop specialists if something can be done about it.

### Weekly online meetings:

We should schedule the online meeting always the same day: Wednesday 7pm.

### Report:

We use the standard report edited by Jelena and Zoubir. It has to be put online quickly and be used for this meeting report.

Jelena works on our presentation webpage. If anyone has ideas or interesting pictures to help her, he can send her.

### GIS:

Patrice sub team has well progressed on GIS part. The sub team should present the results for the next online meeting. The GIS part has to be finished by next Friday (22 of January)

Global schedule: We agreed about 3 dead lines (22/01 for GIS, 03/02 for Hydrology and 19/02 for Simulations)

### Next meeting topics:

GIS work review.

Hydrology work.

Web space.
