Weekly Meeting # 6

Date: 29th January 2010

Media used: Skype Web meeting

Presence: Gopi, Claire, Elodie, Sun-Ah, Zhou Yi

- 1) Gopi and Elodie are sub team about Hydrology part.
Elodie is trying doing some maps with surfer.
Clair tries something with ArcGIS to make a kriggig map.
Elodie and Clair can compare results after test working.
- 2) We have to finish off Hydrological part first.
- 3) Sun-ah try to read tutorial from HydroEuro website and to access MiKE SHE through remote desktop connection.
- 4) Zhou Yi check out our previous reports for reference. He has many exams on this week.
