Daily Meeting # 7

Date: 2nd March 2010

Media used: Face to face meeting

Presence: Gopi, Elodie, Claire, Freda, Sandor, Yi, Sun-Ah

1) Team Work

Everybody did their works further.

- i. GIS part : Claire and Elodie
- ii. Mike SHE part : Sandor
- iii. Mike Flood part : Gopi
- iv. Mike 11 part : Freda
- v. ISIS part : Yi and Sun-Ah

2) Gopi and Freda will present for the final presentation.

3) Setting the Mike Flood model and do sensitivity analysis for different weir coefficient. And then do the calibration for Mike 11 and ISIS. Try to find which formula and parameters can match the real weir well. Try to find how to calibrate models (MikeSHE and Mike 11).

4) Doing the final report by every team members.
